

Dongyu Gong

TEL: (+86) 188-1016-1378 E-mail: gdy17@mails.tsinghua.edu.cn
Date of Birth: February 2000 Address: 11#, Zijing Apartment, Tsinghua University, Haidian District, Beijing, China

Education

Department of Psychology, Tsinghua University (Major) 08/2017-07/2021

Overall GPA: 3.89 / 4.0 (top of the class, 1/38)

Major Coursework:

- Experimental Psychology (A)
- Developmental Psychology (A)
- General Psychology (A)
- Statistics for Psychology (A)
- Advanced Psychological Statistics (A+)
- Social Psychology (A+)
- Research Methods in Psychology (A)
- Physiological Psychology (A)
- Cognitive Psychology (A)
- Students Research Training Project (A)

Department of Computer Science and Technology, Tsinghua University (Minor) 09/2018-07/2021

Coursework:

- C Language Programming
- Fundamentals of Computer Aided Design
- Big Data and Machine Intelligence
- Database Technology and Application

2018 Summer School (Session D), University of California, Berkeley 07/02/2018-08/10/2018

Overall GPA: 4.0 / 4.0

Coursework:

- Human Neuropsychology
- English for Specific Purposes: Grammar and Vocabulary

Research Interests

General Areas:

- Visual Attention, Perception

Specific Research Topics:

- What are the factors that have an impact on attentional capture?
- How do top-down attention and bottom-up attention interact?
- How can we measure individual differences in attention?

Research Experience

The Effect of Distractor Saliency and Spatial Location on Attentional Capture 05/2018 to date

Principal Investigator

- Supported by Tsinghua University Initiative Scientific Research Program
- Innovation in experiment design based on the additional singleton paradigm
- Poster accepted by 60th Annual Meeting of Psychonomic Society and 4th China Vision Science Conference

Spatial Heterogeneity and Individual Differences 03/2019 to 08/2019

Research Assistant

- Work with Allison Yamanashi Leib, Research Scientist in Whitney Lab, University of California, Berkeley
- Guided by Professor David Whitney, Department of Psychology, University of California, Berkeley

Exploring Ensemble Perception Using Reverse Correlation Technique 06/2019 to 08/2019

Research Assistant

- Code the experiments, Revise the experiment design, Analyze the data
- Work with Allison Yamanashi Leib, Research Scientist in Whitney Lab, University of California, Berkeley

- Guided by Professor David Whitney, Department of Psychology, University of California, Berkeley

Honors and Awards

Excellent Oral Presentation Award in 2019 Tsinghua Student Research Conference	Youth League Committee of Tsinghua University; Student Association for Science and Technology, Tsinghua University	December 2019
Excellent Poster Presentation Award in 2019 Tsinghua Student Research Conference	Youth League Committee of Tsinghua University; Student Association for Science and Technology, Tsinghua University	December 2019
Second Prize (in Beijing Division) in 2019 China Undergraduate Mathematical Contest in Modeling	China Society for Industrial And Applied Mathematics; Education Commission of Beijing	October 2019
Scholarship for Excellence in Scientific Innovation	Tsinghua University	October 2019
Scholarship for All-Round Excellence	Tsinghua University	October 2019
Scholarship for Undergraduate Overseas Studies	Tsinghua University	May 2019
Selected as Member of <i>Spark</i> Innovative Talent Cultivation Program	Tsinghua University	May 2019
Scholarship for Academic Excellence	Tsinghua University	October 2018
China National Scholarship	Ministry of Education of the P.R. China	October 2018
Successful Completion in Tsinghua Global South Culture Immersion Program	University of Nairobi	September 2018
Successful Completion in 2018 Summer English Language Studies	University of California, Berkeley	August 2018
Excellent Group Award and Individual Award in the 16th <i>Love for Our Alma Mater</i> Activity	Tsinghua University	April 2018

Leadership Experience

Class Leader	
• Monitor of the Class	09/2018 to date
• Commissary in Charge of Publicity	09/2017 - 09/2018
Social Work	
• Member of 4 th Youth League Committee, School of Social Sciences, Tsinghua University	05/2019 to date
Volunteer Work	
• Header of the detachment in the 16th Love for Our Alma Mater Activity	12/2017 - 04/2018

Skills and Certificates

- Knowledge of programming with MATLAB, Python, R, and C language
- Certificate of Completion in *Neural Networks and Deep Learning* (Coursera)
- Knowledge of EEG, fMRI techniques
- TOEFL: 102; GRE: Verbal 155, Quantitative 169

Personal Interests

- Tennis
- Badminton
- Photography
- Science Fiction
